

- Manufactured by an ISO 9001: 2015 certified company.
- Company having more than 26 years of manufacturing experience.
- State of art manufacturing facility.
- Product of expert R&D and innovative team.
- Lean management practising company.

WARRANTY

- One-year Warranty for Electronic PCB and mechanical structures for manufacturing defects only.
- Six months Warranty for the battery.

Product Features

- Rugged frame construction made of steel tubes
- Available in Stainless steel/ M S Chequered plate platform
- Built in rechargeable battery
- Standard RS 232 output port
- Platform scale ranges from 50 Kg to 1000 Kg
- Accuracy ranges from 5 gram to 100 grams
- Optional: Display in mobile for real time monitoring of weighment
- Optional: Additional display
- Optional: Custom built platform sizes
- Easy to maintain.
- IOT enabled weighment solutions

Weighing Scale Models

Model	Platform Size	Capacity Kg	Accuracy Gram	Type
SI-BS-2121-050-M	210 X 210 MS	50	5	Bench
SI-BS-2525-050-M	250 X 250 MS	50	5	Bench
SI-BS-2525-050-S	250 X 250 SS	50	5	Bench
SI-BS-3030-150-M	300 X 300 MS	150	20	Bench
SI-BS-3535-150-M	350 X 350 MS	150	20	Bench
SI-BS-4040-200-M	400 X 400 MS	200	20	Bench
SI-BS-4040-300-M	400 X 400 MS	300	50	Bench
SI-PS-4030-050-M	400 X 300 MS	50	5	Platform
SI-PS-4030-050-S	400 X 300 SS	50	5	Platform
SI-PS-4535-100-M	450 X 350 MS	100	10	Platform
SI-PS-4535-100-S	450 X 350 SS	100	10	Platform
SI-PS-5040-300-M	500 X 400 MS	300	50	Platform
SI-PS-5040-300-S	500 X 400 SS	300	50	Platform
SI-PS-6060-300-M	600 X 600 MS	300	50	Platform
SI-PS-6060-300-S	600 X 600 SS	300	50	Platform
